Giancarlo Stanton's Aria on the Bay Penthouse

Miami Marlins star [Giancarlo Stanton](#) tours his 5-bedroom, 7.5-bathroom tri-level penthouse under construction at [Aria On The Bay](#). The home will feature a rooftop terrace complete with a private pool and outdoor summer kitchen. The purchase price was not disclosed, however the building's last remaining tri-level penthouse – home to Stanton's future next-door neighbor – is currently on the market for about \$6 million.
